CARDINAL 1962

WORTHINGTON HIGH SCHOOL

WORTHINGTON, OHIO

Many things are to be gained from a high school education; the years we spend in learning and achieving are the most remembered and most cherished years of our lives. Through formal education we gain first-hand knowledge about the physical world around us, and we grow with the fervent desire to know more. But most important of all, we believe, is the formation of our basic philosophies toward life and people. As the years come and go, we may lose some of the facts we have gained about our physical world; but the beliefs and ideals that we have formed concerning life and people are assets that no power on earth can diminish. We have, through our education, come to learn to be glad of life, to have faith, to cherish friends, and to promote learning.

This We Believe

Each day of his high-school career, a student becomes more and more aware of the world around him and the people in it. Each new day brings something different, something that has never happened before, some new experience that enriches our lives and makes us happy. One matures, as he progresses through his years of high school, gaining each day an experience of life that is new and exciting. Each day he finds a new friend, a new ideal, or a new bit of knowledge that makes him glad of life.

To Be Glad of Life

Faith is as difficult to define as it is to see. It is something that every student of high school feels as he grows with his fellow man. Faith takes many forms—faith in one's friends, faith in one's parents, faith in one's teachers, and faith in God. As young people in high school, we "learn" to have faith through our experiences. In day-to-day life, we encounter situations that increase our faith in our fellow man and in God.

To Have Faith

During our high-school years we come to realize that few things mean as much to us as friends. There are, of course, the casual acquaintances whose company we enjoy each day in classes, at school functions, and in the community outside. But there are also the close friends we acquire. The problems faced by our close friends extend our understanding; their ideals and philosophies open our minds; their very presence enriches our lives. The warmth and sincerity of such true friendships are among our most cherished gifts.

To Cherish Friends

Learning is both a necessity and a privilege. Through our lives we must constantly learn new facts, new ideas and new solutions if we are to grow. And growth—in character, in intelligence, in understanding—is our major goal.

We admire and respect leadership for its inherent qualities. No one can become a leader without INITIATIVE and CONVICTION. No one can become a good leader without COMPASSION, SINCERITY, and WISDOM. No one can remain a good leader without STRENGTH and COURAGE. In leadership is found the seed of greatness.

MR. H. C. McCORD
Superintendent

"I want to take this opportunity to congratulate the graduates of the Class of 1962 for their fine accomplishments and achievements during the first twelve years of their school careers. I wish you much success in the opportunities that you will encounter in future years. Each of you should remember that the door to success is labeled 'push' and it is the responsibility of each individual to make the best use of his time and talents."

"Congratulations upon the completion of your high school career. You have successfully faced the challenges and problems which have confronted you to date. Appropriately, the commencement exercise in which you will participate signals the beginning of greater challenges and problems. We, of the Worthington Schools, are confident you will be equally as successful in these areas of endeavor as you have been here."

National Honor Society

The National Honor Society honors outstanding students in the fields of scholarship, leadership, character, and service. It recognizes the accomplishments of its members and encourages them to include these four admirable qualities in their mode for later living. Juniors and seniors are chosen by the high school faculty as members of National Honor Society and are installed in early spring. The society is an affiliate group of the National Principal's Association and of the North-Central Association of Secondary Schools and Colleges.

Student Council

The Student Council at W.H.S. is a training ground for leaders, followers, and good citizens. It encourages students to become interested in civic matters and to suggest ways and means of improving our school. Actually the student council is student participation in school government. Probably in a larger sense, it is a clearing house for student opinion. The main purpose of the student council is to teach good citizenship and, thus, the student council becomes a laboratory of citizenship.
The idea that the student council is just another club is a serious misunderstanding of its function. It is the only student organization which represents every student in the school. Therefore, it is the most important student organization in the entire school and needs the understanding, respect and co-operation of students, faculty, and administrative staff.

Class Leaders

JUNIOR CLASS PRESIDENT

SENIOR CLASS PRESIDENT
Chip Wetterauer

Throughout the school year, the presidents of their respective classes stand as a symbol of leadership, and endeavor to promote friendly feelings among the students. It is the duty of the president to bind their class together in a close union, for without a feeling of working together for a common goal, whether it be for your own benefit or for the benefit of others, nothing can be accomplished.

FRESHMAN CLASS PRESIDENT

Within the walls of Worthington High an atmosphere of friendliness prevails. This feeling of comradeship is made possible through the many activities which have become such a vital part of our high school career. We are able to pursue our interests in a wholesome way by joining one of the various clubs which Worthington has to offer. In this way we can become better acquainted with our fellow students while engaged in activities which will aid us in our future years.

Talent is a special gift fitting one for a particular business, art, or profession. It is one of the few gifts with which every individual in the world is born. Developing our talents to their utmost sets each of us apart from another, distinguishes us, identifies us. If each of us in high school would examine ourselves to find where our talents lie, would continually develop and expand them, and would finally utilize them in our adult lives for the good of ourselves and our fellow man, no task would need to be accomplished unpleasantly or unskillfully and no talent would be left to wither and waste away undiscovered.

Senior Class Play

YOU CAN'T TAKE IT WITH YOU

On the nights of November 17 and 18, 1961, the Senior class of Worthington High School presented the zany comedy, "You Can't Take It with You," by George S. Kaufman and Moss Hart, in the Elementary School auditorium. The play was a hilarious story of a family whose members lived harmoniously together without concern or worry about the outside world. The complete separation of this family from the rest of the world led to many difficulties when their lovely daughter fell in love with a man from the outside world. The antics of the family in trying to get these two people together made an uproarious plot for the play. The cast of the play included:

"But, I didn't do anything! I, uh, eh uhm, well;"

"UUUUUUUUUUHHHHHHHH ! ! !"

"But you've got to pay income tax; everybody pays income tax."

"Presenting the Grand Duchess, Olga Katrina . . ."

"When I see snakes, it's time to lay down!"

"Could you please pull in your stomach a little, Mr. De-Pinna?"

"No! Piroette! You can do that; it's eight years now!"

"She'll be all right. She's just fainted, that's all. That recording must have scared her."

Curtain call. The cast and the "behind-the-scenes" crew take a bow.

"It's Wargrave. He's dead!" After a sudden light failure, there's a piercing scream, a shot, a thud, and this is the result.

On April 7 and 8, 1961, the Junior class of Worthington High School presented two performances of "Ten Little Indians," a murder mystery by Agatha Christie at the Worthington Elementary School Auditorium. The three act play was the story of ten people stranded on an island, and how little by little, one by one, they were mysteriously and deliberately murdered. The cast included:

Rogers.....Don McGee

Varsity Football

1961 GRIDIRON

The W.H.S. football squad enjoyed its best season since entering the always tough Central Buckeye League. They finished with a fine 8-2 over-all record. The team put forth a maximum effort against undefeated Upper Arlington and led through most of the game until a number of injuries and bad breaks led to defeat. The two most satisfying wins of the year were the victories over Urbana and Whitehall. The team's defense was outstanding, it led the county allowing only 54 points in ten games.

Individual honors went to nine members of the squad. Six members made the Banty Roosters Club, a select group of defensive standouts who have led the squad in tackles in one game. They are: Chic Dambach 5 times, Byron Tennant 4 times, Carl Lambert twice, and Stuart Tennant, P. D. Quick, Mark Weller each with one game. Cross-Country

Again this year our x-country team finished first in the central district. Fine individual efforts by Jeff Eckert, Russ Cellar, Roy Jewett, Dave Watkins and Dave MacCoy blazed the trail for the district championship. During the year our team was undefeated in dual meet competition and was one of the favorites in the state meet. Because of the great effort by Jeff Eckert, we finished third as a team in the meet.

The varsity squad this year posted a 7-12 season record. Although they didn't achieve a 50-50 season, many of their losses were by small margins. Seniors Dan Snouffer and Captain Bob Anderton were the only returning lettermen from last year's squad. The team this year consisted of seven seniors, two juniors, and one sophomore.

Wrestling

Throughout the past few years, Worthington has established a reputation as having one of the finest wrestling teams in central Ohio. In order to maintain this reputation for excellence, a Worthington wrestler must make many sacrifices. Dieting, training rules, and long hours of practice in one of the most punishing physical sports in existence, these are the things that constitute the price of victory. Fortunately, Worthington has students who willingly "pay the price" in order to obtain recognition for our school. This year's team was perhaps the most spirited team to represent our school in recent years. Much of the wrestling team's enthusiasm was derived from the excellent support given to the team by the student body. With only four of the eleven varsity team members graduating, next year's prospect appears every bit as bright as the prospects in the previous successful years.

C.B.L. Track Champs 1961

Led by coach "Les" Eisenhart and Capt. Dave Ball the W.H.S. track team of 1961 emerged for the second straight year C.B.L. Champs.

The team was aided by outstanding seniors Dennis Jones, Capt. Dave Ball, Roger Campbell, Bob McBride, and Jeff Moorehead, who gathered the majority of points throughout the season. Another fine group was the milers led by Jeff Echert and composed of Karl Rieppel, Roy Jewett, and Russ Cell.

Although they are shallow in many events they are expected to have another good year in "62." The team will be led by Seniors Gary Littlepage, Chic Dambach, Stu Tennant, Kurt Rieppel, and Dave Watkins.

The team will greatly miss the services of Dennis Jones, who took three first places in the 1961 C.B.L. meet, 3rd in the low hurdles and 5th in the 100 yd. dash in the State Meet last year.

Baseball 1961

The hard-ball men found it rough-going in the 1961 season, compiling only five victories against 9 defeats. With a league record of four wins and eight losses they found themselves deep in the final standings of the C.B.L.

Team play looked good in the beginning of the season. The cards pounded out 11 hits and made only one error on route to an impressive 11 to 2 conquest over Watterson in their debut. They then dropped four straight league contests before downing Whitehall 4 to 3 on the Ram's home diamond.

A mid-season tournament game against Marysville ended any hopes for a long winning streak as the Cards were decisively beaten 6 to 1. The squad went on to post three more victories while losing four.

Catcher Jim Wolfe and outfielder Jim Smith led the team in hitting with .286 and .290 marks respectively. Bill Thompson, Bill Gabriel, Terry Jacobs, and Dwight Horch handled most of the mound work. Jim Smith was the only player for the Cards to make the All C.B.L. team.

The Social Life at Worthington is both wholesome for the character and a necessary part of our high school life.
During the course of the year, students are engaged in many phases of school activities. These activities afford them an opportunity to seek the happiness derived from the company of our fellow man, for without society, and a society to our taste, men are never contented.

Freshmen

The 1961-1962 Freshman Class is the class with great ambition and new ideas. The freshman year is always an exciting one as most students are inclined to agree. Under the capable leadership of John Fleeman, president; Doug Hoover, vice-president; Andy Learned, secretary; and Roland Miller, treasurer, the Freshman Class made good use of their spare time and entered fully into school activities. Showing much school spirit, many Freshmen entered into football, cross-country, basketball, hockey, club activities and Student Council.

The freshmen have great challenges to meet both from their preceding classes and the world itself. One glace at the honor roll tells that they have met, and met well, their predecessors' challenges.

Sophomores

The class of '64 accomplished much during its first two years at Worthington High. Scholastically, the sophomores did well as is evident from the honor rolls. They are energetic as displayed by their enthusiasm to participate in extra-curricular activities. They are athletically inclined as proven by their truly great performances on the various teams.

However, having two more years of high school left, many more great achievements are expected from this fine class.
Ira Porterfield, president; Mark Minister, vice president; Nancy Downs, secretary; and Debby Byers, treasurer, were elected by their class to lead the sophomores through the year.

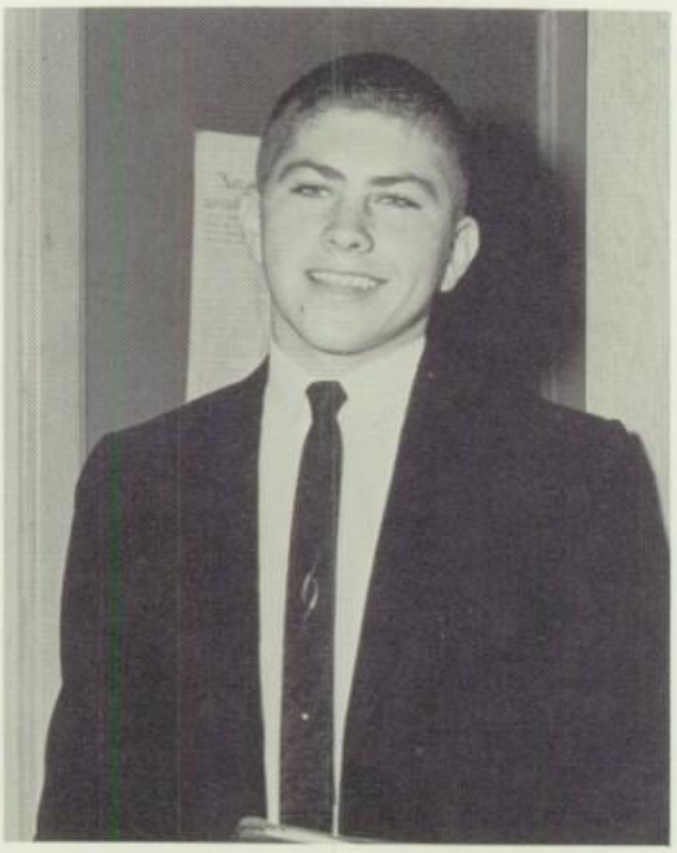
The Class of 1962

Brad Rosenquist, vice-president

Chip Wetterauer, president

Julia Sonner, secretary



Bob Anderton, treasurer

Four short years ago, the Class of 1962 entered the doors of Worthington High School with mixed feelings of apprehension and excitement. Each person knew that the years to come would bring many memorable events, both happy and sad, and that it was each person's responsibility to make the most of them. The anticipation of high school life with its challenges, frustrations, and rewards was keen in the hearts of the members of the Class of 1962 as they prepared to enrich their lives, increase their faith, nourish, their friendships and satisfy their desire for learning.

Under the leadership of Mike Minister, president, the Freshman class started its treasury with projects and a Halloween float. This was the year we learned that high school life could be pretty rough. Ann Tannehill and Cindy Caudill were our representatives on the Homecoming and Halloween courts respectively.

1960 was a year we will never forget. Dave Howell led the class as president, and that year we won first prize in the Halloween float contest. Margie Robbins was our attendant to the Homecoming and CARDINAL Queen courts, and Shirley Boyer represented our class on the Halloween court.

In 1961 we were Juniors. Every thought was turned to our magazine sale, the Cardinal Booster drive, the football concession stand, the Junior Class Play and our prom. With Margie Robbins as president our Junior year finally became a reality. Pam Hauck was our Homecoming attendant, and Sherry Keating was the Halloween attendant. Among the finalists for the CARDINAL Queen Court were Margie Robbins and Nancy Learned. Nancy was Crowned 1961 CARDINAL Queen.

At last we were Seniors. Projects, point-hours and parties were our main concern. Chip Wetterauer was president that year when many seniors participated in the class play, monologues, smorgasbord, election week, and the numerous other elements of senior life. Ann Tannehill was Homecoming Queen, Margie Robbins was Holloween Queen, and Betsy Tippett was the 1962 CARDINAL Queen. Our high school days came to a close with Baccalaureate and the long awaited moment—Graduation.

Some call this the end. It isn't. It's the beginning. It's the beginning of a wonderful experience called life. In the years that we have spent at Worthington High, we have gained much that will benefit us in the years to come. Worthington High has offered us a challenge. We can no longer live on what we have done; rather we must live for what we are going to do. We have, in these few years, learned to be glad of life, to have faith, to cherish friends, and to promote learning; but most important of all, we are aware that we will ultimately fail if we don't combine these four groupings to make ours a better life.

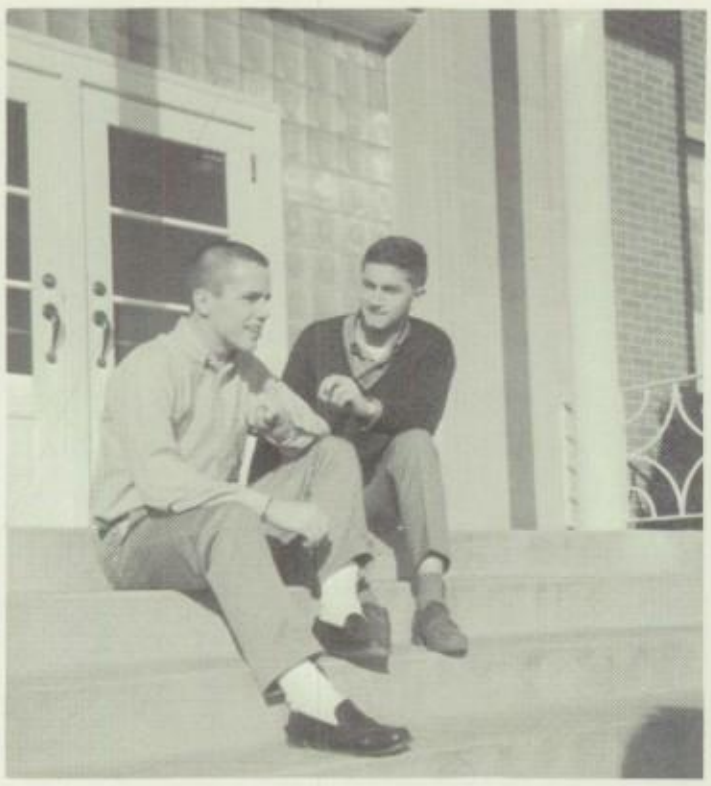
Seniors enjoy a final fling at one of the basketball canteens.

Up and coming home makers.

Building for the future.



Andre Kahn, our foreign exchange student, confides in his American brother, Brad Rosenquist.

Let's Twist Again. . . .

As Seniors gaze for the last time upon the grounds of Worthington High, they recall the wonderful experience called high school and look to the promising years ahead.

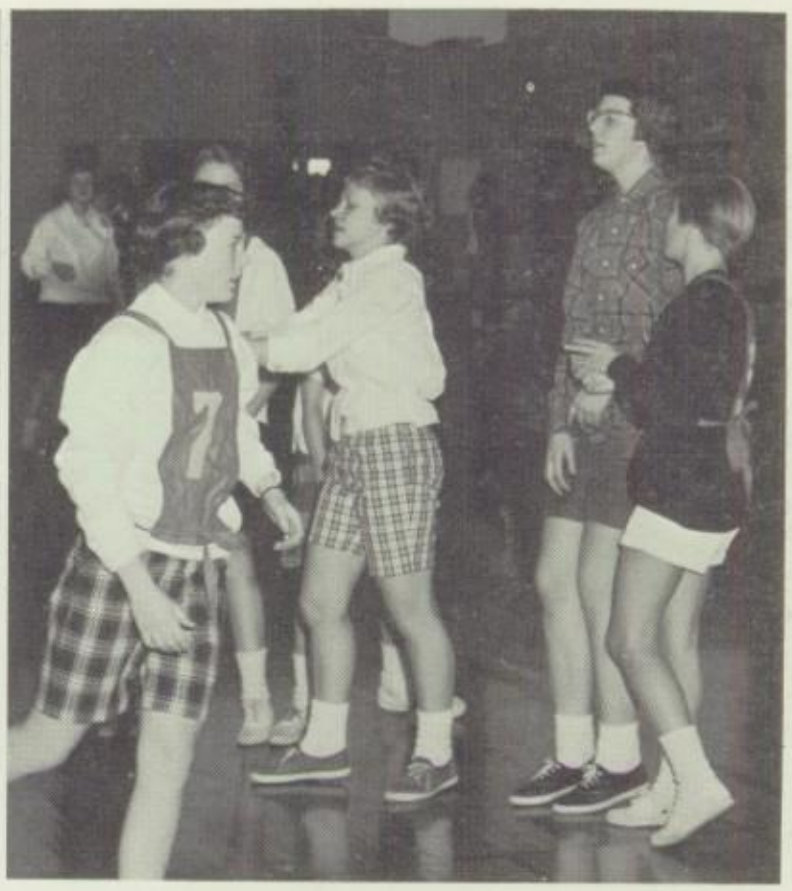
"Your study period will be over then!"

Our three queens add a picturesque decoration to the front steps of Worthington High.

Seniors will long remember the crowded conditions that existed during class changes.

"It will be to your advantage fellows to be in your seats before the bell rings!"

Four lovely girls represent the Senior Class on this year's CARDINAL Queen Court with Miss Betsy Tippett reigning as queen.



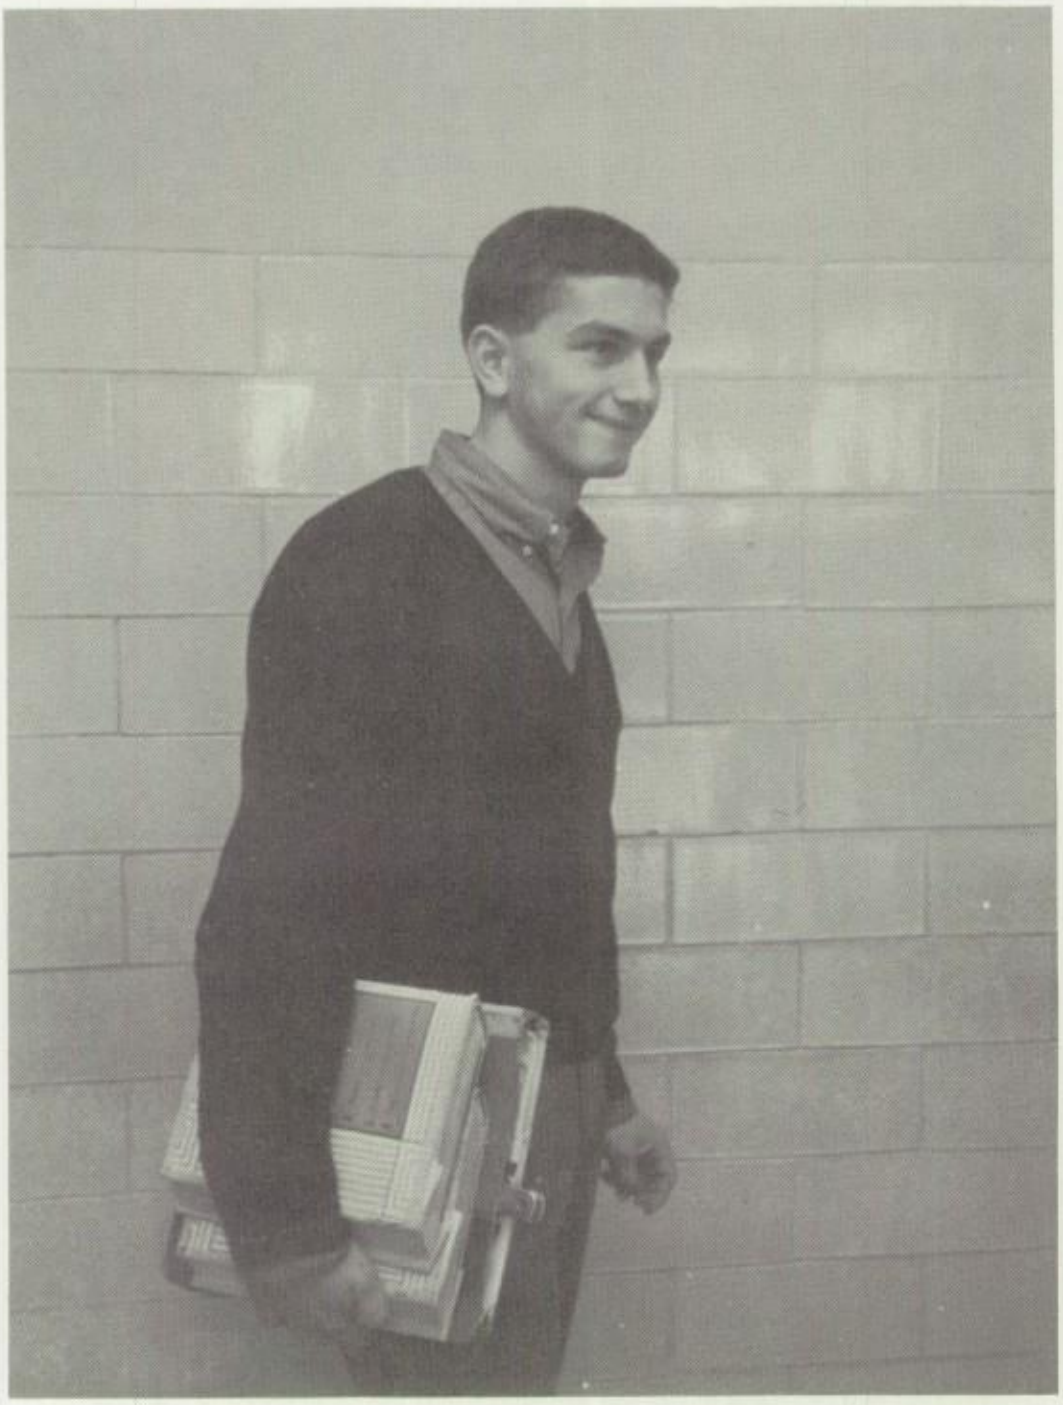
The seniors as underclassmen. We have changed, haven't we?

And then there was fifth period study. We'll never forget the snowballs, the substitutes, the cheers, the naps, and whatever else could have gone on in there under cover!

This year the seniors not only ate in the cafeteria but also kept its tidy appearance.

As seniors anticipate the future, they look back upon the past at the solid foundation of learning they have achieved at Worthington High.

He Came as a stranger-he left as a friend



Andre Kahn

This past school year the student body of Worthington High has enjoyed the friendly and courteous manner of Andre Khan, our foreign exchange student from Brussels Belgium. With his delightful personality, Andre had made many new friends. While participating in numerous activities and sports, Andre enjoyed his full schedule of classes. Because he has always been interested in current events, Andre chose P.O.D. as his favorite subject.

While living in the home of Mr. and Mrs. Charles Rosenquist, Andre discovered the American way of family life. He entered wholeheartedly into all the family activities.

The students at Worthington High hope that Andre will have as much success in later life as he has had at Worthington.

In Memoriam

Todd Workman

"He loved life, fellowship,
adventure, and especially the
out-of-doors. He was one of us
he is one of us."

"If you can keep your head about you when all about you
Are losing theirs and blaming it on you,
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise:
If you can dream—and not make dreams your master;
If you can think and not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two imposters just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tool;
If you can make one heap of all your winnings;
And risk it in one turn of pitch and toss
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the will which says to them 'Hold on!'
If you can talk with crowds and keep your virtue,
Or walk with kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count on you, but none too much;
If you can fill the unforgiving minute
With sixty seconds worth of distance run,
Yours is the Earth and everything that's in it,
And—which is more—you'll be a Man, my son!"

Rudyard Kipling
